

CURRICULUM (Carlotta Giuliano)

Graduated from “Liceo Scientifico Giuseppe Peano” of Cuneo in July 2005.

She is attending the Dental School of Turin. Starting from November 2010 she is a thesisist in the Department of Conservative Dentistry and Endodontics directed by Dr. Elio Berutti.

She is involved in researching works with particular interest in biomimetism of dental materials and in estetic dentistry.

Speaker at national and international congresses.

Her activity of thesisist is supervised by Dr. Nicola Scotti.
