

CURRICULUM (Cristina Eruli)

Cristina Eruli graduated from “Oak Park High School” of Kansas City (MO), USA, in June 2005. She graduated from “Liceo Scientifico M. Curie” of Pinerolo (TO) in July 2006.

She is attending the Dental School of Turin. From June 2010 she is a thesisist in the Department of Conservative Dentistry and Endodontics directed by Dr. Elio Berutti.

She is involved in researching works with particular interest in post-endodontic restorations, and she is working on her thesis “Evaluation for direct postendodontic restoration: a retrospective observational clinical study”. Her activity is supervised by Dr. Nicola Scotti.
